

THE ULTIMATE NSF RETURNS RECOVERY SERVICE

For Financial Institutions

Effortlessly recover funds with ChecXchange – an all-in-one platform for representing both ACH and Check NSF return items.

IMPROVE CASH FLOW

The merchant receives full credit for the collected NSF item.

DAILY DEPOSITS

Daily processing ensures faster fund collection through automatic deposits.

LOWER COSTS

Optimize operations to achieve cost savings & lower overall expenses.

FASTER FUND COLLECTION, GUARANTEED!

At ChecXchange, timely fund recovery is our priority. By seamlessly converting returned items into electronic transactions, we re-submit them up to two additional times via ACH. This ensures efficient collections, maximizing the chances of successful fund recovery.

- ✓ Higher representment limit (up to \$5,000)
- ✓ Ability to scan checks directly into system
- ✓ Collection agency support for uncollected returns
- ✓ Single sign-on & white-labeling capabilities
- ✓ Replaces in-house collection efforts
- ✓ Zero hidden fees & no equipment necessary

COMPLIMENTARY SERVICE:

By charging the check writer a state-regulated fee, we cover the recovery cost, ensuring a complimentary experience for the merchant. This increases customer satisfaction and retention, fostering a stronger relationship between your institution and its valued customers.

COMPLETE RETURNS MANAGEMENT:

Our service goes beyond NSF returns, providing banks with comprehensive handling of all types of returns. As an added convenience, we facilitate the process by sending letters and copies of items to the merchant, ensuring a smooth and efficient experience.
