Empower your clients with our versatile lockbox choices leveraging our comprehensive payment processing solutions that include:

- Improved Deposit Availability
- Digital check image capture
- Electronic file generation
- Competitive pricing
- Secure fund deposits & payment handling
- Seamless integration with accounting systems

HEALTHCARE LOCKBOX

INCREASE COLLECTION FROM PATIENTS & INSURANCE PROVIDERS

Automated Claim Matching:

Integrates paper EOBs and 835/837 EDI formatted data to automatically match all claim data, instantly identifying items that require special collections & processing.

Faster Payment & Denial Research:

Resolves discrepancies promptly to ensure timely collection from insurance providers at our HIPAA compliant mail collection site in Charlotte, NC.

Fraud-proof Reconciliation:

Achieve enhanced audit compliance through separation of duties and seamless re-association of ACH or check payments with ERA remittance files.

WHOLESALE AND RETAIL LOCKBOX

By leveraging innovative OCR and 2D barcode technology, we eliminate manual data entry and redirect existing resources.

- Quick Time-to-Market and Affordable Entry Costs
- Eliminate Equipment Costs with Hassle-Free Scanning
- Web-Based Reporting with Detailed Image Data
- Competitive Pricing to Help You Win Bids
