

Merchant Solutions

Gain access to specialized expertise, cost-effective payment processing services, risk mitigation measures, and scalability benefits.

BENEFITS TO YOUR INSTITUTION:

Unity FI Solutions provides Financial Institutions with reliable and secure merchant solutions, check returns, and ACH item re-presentation services that help to streamline their operations and improve their bottom line.

Our goal is helping your financial institution thrive.

- ✓ **Education, training and marketing available**
- ✓ **No liability to your financial institution**
- ✓ **Attract and retain commercial depositor relationships**

1

ACCESS TO EXPERTISE

Gain access to our expertise and resources in payment processing and merchant services.

2

COST SAVINGS

save time and money compared to building and maintaining their own solution.

3

ENHANCED CUSTOMER EXPERIENCE

strengthen your bond with business customers by providing a value-added service

4

REDUCED RISK

mitigate risk associated with payment processing, such as compliance with regulatory requirements, fraud prevention, and cybersecurity.
